There were lots of glitches with the transfer of data. Grade 5-6 reports should be out this Friday. The new reports are 2 page documents with one mark and it does not break it down. Teachers will comment on the core subjects only and the exploratory will be just a mark with no comments. Parent Teacher Interviews are next week as well as all 5-6 students will have interviews scheduled and 7- 8 French as well. 7-8 English will send out requests to meeting with parents and then as always, parents can call in to book.
