3. Agenda Additions:
  - School Clothing: TA has purchased jerseys from OT Sports as well as Team Clothing from Cariboo Cresting and we can still get the Entropy online School wear. Becky: How did Entropy do last year? Wade: Did well, it is handy for those that are not on team sports that still want to have school clothing to support the school. The staff wear it allot as well.
  - Hot Lunch Program will start up after Thanksgiving. Grace: it will actually be just before Thanksgiving on October 5<sup>th</sup>. French Immersion is interested in doing more hot dog and griddle cheese sales as well this year. Becky: is it possible to move the hot lunch day? Wade: It is really based on kitchen availability. Friday has proven not to be the best because when kids are away, it's usually Friday. We will look at a possible change for that. Grace: Thursday would be better, we can then use the food if need be for Friday. **Action Item: Grace & Wade will look at the Kitchen Schedule and decide if there is a better day for the Hot Lunch.** Wade mentioned that the BBQ was stolen over the summer. Crystal: I know Bluewave was giving away BBQ's if you want to check with them. Possibly even get the High School to make one.
4. Principal's Report – Wade Johnson
  - Newsletter: We are really trying to make communication a priority. The weekly newsletter seems to be doing that. Crystal: Is there any way we can change the number for the

school to indicate a recorded message? Would rather a text than a phone call as it is usually an emergency if the school calls and I've left meeting because of it. Becky indicated that the high school uses phone text and email.

- Class Dojo: we will still be using Dojo again this year. We have 4 new staff as well as Jon here as the Vice Principal. Jon will be taking over the Team Building and Cynthia will be doing the Top Wolves now.

6. School Trustee Report – Crystal Owens.

- We had our 1st Meeting in early August. Katrina and Karina are the Division Social Workers with the extra funding. Tania is at the High School. Sandy M is at Springfield and Grimshaw has 2 as 2well. Approved for the move of central office to Grimshaw. Grace said that there was not as much negativity this time around, people are feeling that there is nothing that can be done. Crystal indicated that the Division did struggle to get the point across about the move. We are not trying to take buses from Peace River, the Division is much larger.
