4. School Trustee Report – Crystal Owens
  - Right now all the trustees are taking part in FNMI Gatherings – Various seminars looking at what we can bring into our division. Manning is getting 1 new school. 1<sup>st</sup> anti-racism committee meeting was held. Wide range of people on the Board. Basically just working on definitions and the next meeting is in April. Elections coming up this fall as well for Trustees.

Tyne: Crystal, you mentioned that the anti-racism committee, can you give some background? Crystal: The committee is still in its very early stages and that was our first meeting. Was brought up in the past through the FNMI Committee and was an action item to have the committee. Want to see the division as an anti-racism division where everyone feels safe. Want it to be based on what is needed for our community. We also want this to contribute to long term policies. There are a much larger diversity of races that need to be covered by the anti-racism.

Tyne: This there a Chair? Mr. Bennet is the chair at this time.

5. Project PEACE – Amy Purchase

- Wade: Amy is on leave from Project Peace because she is doing her practicum in Grade 6 so her position is on HOLD while she completes this.

6. Round Table – Questions

- Crystal: The blended learning has been a challenge for the teacher and staff. It is very difficult to do the double duty. Parents have been very supportive.

7. Next Meeting Date
