

Reminder – Monday, 25th, No school as it is a PD day for the Teachers.

DID YOU KNOW?

Principal's Corner

... that TA Norris students are very Active Citizens not only in the school, but for the community? We are entering our **final week of the Food Bank Drive** – which we have partnered with Mighty Peace Chevrolet/GMC. Our students and families have brought in SO MUCH food! The stacks in the classroom are getting bigger and bigger! The class that brings the most 'weight' of food will earn a pizza party supplied by Might Peace. We want to thank the TA Norris family for all their donations and support. This will go a long way to help so many! Thank you to Mighty Peace for initiating this food drive.

Mandatory Masks

Reminder that Masks are required for all students on school buses (including field trips) as well as in the hallways and other common areas within the school such as the library, halls, and foyer. Please make sure your child has extra masks in their backpacks - with the cooler weather arriving, they do get wet.

Friday Hot Lunch & Cutlery for Lunches

Remember to include their school utensils or utensils from home. We have a minimal amount of plastic cutlery in the event they do forget occasionally, but we seem to be having some students come everyday. If you ordered Friday's Hot Lunch, it is from Freson Bros on Friday, October 29.

Halloween Activities

Friday afternoon, October 29th, will be spent in the classrooms doing activities with their fellow classmates. Students will be permitted to put costumes at their lunch recess for the remainder of the day's activities. Unfortunately, parents are not allowed to enter the school to assist their child(ren) to put on their costume.

School fees: Contactless Payments

Peace River School Division is eliminating payments by cash or cheque in school offices. Please see the attached letter on page 3 about contactless payments; it will help you get set up with SchoolCash Online.

Parent Portal Access

Peace River School Division is changing to a paperless system. You should have received a letter containing access codes specifically for you and your child. It is important that you please take the time to create and access your Parent Portal as

this will be how all future report cards will be viewed.

Also, for the grade 7 & 8 parents, it will give you access to view up to date attendance, assignments, and test results. For those of you who already have your account set up from last year, you may need to log out and back into your account to update your child's data for this year.

Please register your phone for SMS . . .

If you know of somebody who has a student at TA Norris Middle School and that they are not receiving our *Weekly Activity Memos* by email or text messages, please refer them to page 3 of this newsletter. It is important as this is our way of communicating with families.

We continue to use School Messenger, <http://www.schoolmessenger.com/> which allows us to send information in three ways:

By SMS – texts will go out to the cell phone numbers we have on file here at the school. If your phone number has changed recently, please let us know! You need to opt into this service as indicated on the attached information sheet.

By Email – we will continue to our send weekly email list of activities, however School Messenger will be used for special bulletins.

By Phone – this allows us to send a pre-recorded message to your primary phone number. If there is no answer, the message will be delivered to the other phone numbers we have on file until a connection is made. Please wait for the school-initiated portion of the call to begin as School Messenger will consider the call to be incomplete if you hang up during the introductory portion. Please opt into the School Messenger program – thank you.

Please register your mobile devise to receive text messages - see Page 4 for further details – thank you.

*Please feel free to visit the school website, <http://www.tanorrismiddleschool.ca>, to check for messages from Teachers, Superintendent Messages and other information that may be of interest to you. Also if you **Like** us on Facebook, you can be notified of special items that may be of immediate interest. If you have any questions, please feel free to contact us and we will do our best to answer them or find the answers.*

Dear families

We are so excited to start the new school year! We have missed being able to engage in person with our students and watch them as learning takes place.

As you know we have made several modifications to how we operate to mitigate the risk of COVID-19. I want to assure you that the health and safety of your family and our staff is our highest priority.

School Fees to be Paid Online

As part of those modifications, we are asking you to use our online payment system to purchase school items and pay any fees. It will be mandatory to make all purchases online. School staff will no longer be accepting cash or cheques from parents/students. Cash can play a significant role in virus transmission, and we are working toward following the World Health Organization (WHO) recommendations to use contactless payments to mitigate virus spread.

Paying Online

Paying school fees online is fast and easy and can be done from any computer or smartphone. Getting setup is three simple steps:

1. **Create Your Profile:** Go to www.prsd.schoolcashonline.com and click on "Get Started Today".
2. **Confirm Your Email:** Check your inbox for the email confirmation and click on the link inside. Sign in with your new login details.
3. **Add a Student:** Click "Add Student" and fill in the required fields with your child's details.

I have included an online payment instructions flyer on how to sign up and use School Cash Online which contains more details.

Helping to Keep Everyone Safe

On behalf of our school, I want to thank you in advance for helping us implement processes, like paying online, that help keep everyone safe.

i Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/lm for more info.
