Also, for the grade 7 & 8 parents, it will give you access to view up to date attendance, assignments, and test results. For those of you who already have your account set up from last year, you will need to log out and back into your account to update your child's data for this year.

## **Message from the Superintendent – Have Your Say on the Divisional School Calendar**

*As a new year approaches, I know lots of families are looking at their calendars to plan their busy lives. We, here at Peace River School Division, are looking forward to our calendar planning process as we work to optimize the school year to benefit student success.*

*In December, members of the Peace River School Division school communities will be invited to review and provide input on the proposed 2022-2023 Divisional School Calendar. If you are a Peace River School Division student, parent, or staff member there will be an opportunity for you to share your input on the calendar.*

*All input received regarding the proposed 2022-2023 Calendar will be reviewed by the PRSD Calendar Committee. The Committee will consist of principals, a teacher, a School Council member, management, and representatives from neighbouring School Boards, as we are also responsible for bussing students from three other School Divisions.*

*The Division believes it is important to gather input whenever possible. The school calendar is one of the areas in which input from our families, schools, and communities is extremely valuable to assist us in meeting the needs of our students.*

*The Board of Trustees will review the calendar and input collected. The proposed 2022-2023 school year calendar will be presented to the Board for their approval at the March 2023 board meeting, so it is important to make your voice heard.*

*Early in the new year, the Division will provide information on how you can share your thoughts on the proposed school calendar.*

*Thank you in advance for your input.*

*Adam Murray  
Superintendent of Schools  
Peace River School Division*

Dear families

We are so excited to start the new school year! We have missed being able to engage in person with our students and watch them as learning takes place.

As you know we have made several modifications to how we operate to mitigate the risk of COVID-19. I want to assure you that the health and safety of your family and our staff is our highest priority.

## School Fees to be Paid Online

As part of those modifications, we are asking you to use our online payment system to purchase school items and pay any fees. It will be mandatory to make all purchases online. School staff will no longer be accepting cash or cheques from parents/students. Cash can play a significant role in virus transmission, and we are working toward following the World Health Organization (WHO) recommendations to use contactless payments to mitigate virus spread.

## Paying Online

Paying school fees online is fast and easy and can be done from any computer or smartphone. Getting setup is three simple steps:

1. **Create Your Profile:** Go to [www.prsd.schoolcashonline.com](http://www.prsd.schoolcashonline.com) and click on "Get Started Today".
2. **Confirm Your Email:** Check your inbox for the email confirmation and click on the link inside. Sign in with your new login details.
3. **Add a Student:** Click "Add Student" and fill in the required fields with your child's details.

I have included an online payment instructions flyer on how to sign up and use School Cash Online which contains more details.

On behalf of our school, I want to thank you in advance for helping us implement processes, like paying online, that help keep everyone safe.

Together we can make a difference!

Sincerely,

Peace River School Division

**i** Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

\*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See [schoolmessenger.com/tm](http://schoolmessenger.com/tm) for more info.
