

**DID YOU KNOW?**

**Principal's Corner**

... Wow, it's hard to believe we are at the end of the first week of school! It's difficult to imagine that we will soon observe and participate in events like the Terry Fox Run and Truth and Reconciliation/Orange Shirt Day. Then, planning will happen for Halloween celebrations, and the year will swiftly move along.

I've recently read a meme that said, "We get 12 spring breaks, 13 first days of school, 12 Easter baskets, etc..." It has helped me put into perspective the importance of these moments in our lives. Getting back into the routine can be very exciting, and many kiddos look forward to seeing all their friends, teachers, and a familiar playground again. On the other hand, other little learners will struggle with anxiety and getting back into the routine. They may also struggle with learning new things and being challenged to stretch the boundaries of their comfort zone and knowledge. It's rewarding to see both types of learners gain perseverance and grow in their knowledge and personal lives.

I want to encourage all caregivers (parents, siblings, grandparents, Kokums/Mosums, aunts/uncles, cousins, and neighbours and friends who are like family) to take the time to enjoy these moments, soak them in, savour every sound, sight, and experience together. I also want to encourage you that when you read this, if you have an internal voice that says, "I can't enjoy these moments right now; things are tough, and I'm struggling!" We understand! We got you! We are here to join your team and help your littles become the best humans they can be. We are here to help you and your littles achieve all the dreams you've had for them. We are a team; we want to partner with you! If there is ever anything we can do to support and help you and your family obtain any learning and personal goals, please let us know!

Welcome to our new families and students, and welcome back to our veterans; you are all a part of TA - Team Awesome!

**ONLINE  
REGISTRATION**

**2023 2024 Online Registration for Returning Students**

In the Spring we distributed/emailed letters containing your Snapcodes to electronically register your child as a returning student for the 2023-2024 School year. Reminders were sent out over the summer. Please take the time to update the information/data on the form and return it to us as soon as possible if you have not already done so.

**ATTENDANCE ITEMS:**

It is a very busy time of year for everybody - if you know your child is going to be absent from school for the day or longer – whether it be for illness, medical, dental, hockey, dance, other sports, musical festival - please contact the OFFICE and inform us by calling 780-624-3144, my extension is 13303 and leave a voicemail. Sending an email to the teacher is very nice, however, the teacher does not always have the time to view emails prior to attendance time plus notify the office. If you would kindly "CC" Mrs. Guey as well at [Guey1@prsd.ab.ca](mailto:Guey1@prsd.ab.ca), this will save on the interrupting phone calls, emails and text messages while you are at work. Thank you very much.

**NEW SCHOOL SAFETY POLICY**

Peace River School Division has changed their policy on school safety for the 2023-24 school year. ALL doors to the school will be locked in the safety of everyone within. If you need to pick up your child early or are dropping off from an appointment or are late for school – please use the doorbell and camera at our Main Entrance (Flagpoles location); also, any visitors and volunteers who need access.

**STUDENT DROP-OFF:**

Parents dropping off children for school, please instruct your child to use the **Cross Walk** in the *middle of the bus loop* **OR** drop them off at the *north end of the school yard* near the mailboxes and they will not have to cross roads or the bus lane at all. Students will then proceed directly to the grade appropriate entrance. They should not be using the staff or main entrances. This is very important and a safety issue for the students to be using the crosswalks. . . . . **2**

## North Peace Performing Arts Festival

Do you have time to give to the North Peace Performing Arts Festival? Last year, over 50 students from T.A. Norris took part in speech arts, voice, and piano. Several won awards and went on to higher levels. Every one of them learned the value of setting goals and conquering their fears as they performed in front of an adjudicator, parents, and peers.

This year, we are super excited to have Kevin Bekevich on staff reviving our band program. Mr. Bekevich got his B Mus at MacEwan University and B. Ed (Music) at University of Lethbridge. We also have staff members who are committed to promoting public speaking in their classrooms.

Our students can flourish by participating in the North Peace Performing Arts Festival ... but only if there is a festival in 2024. A decision will be made at their AGM this Sunday, September 10.

Please read their Facebook post below and consider helping out. They need you.

**North Peace Performing Arts Festival**  
August 20 at 5:10 PM · 🌐

The NPPAFA will be holding its AGM on Sunday, September 10. 7 PM at the Peace River Art Hub.

Our Team of volunteers has diminished to the point where we need your help. Festival is a viable, exceptional, and high-quality platform for young performers to gain experience and confidence in every area of life that they will be up against. Many past participants have gone on to be performers or teachers, with most having taken leadership within their communities and workplaces. It's not just about the performing arts - it's about the confidence to stand in front of individuals or groups and be successful at communicating. This is the reason we are passionate about this platform and want to see it continue.

Without the involvement and commitment from new team members, the North Peace Festival will end.

Sunday, Sept 10 will be our general monthly meeting followed by the AGM. We will address the needs and job descriptions at the general meeting so that you have an idea of where you could place your talents.

Please consider joining us Sept. 10 @ 7 PM at the Peace River Art Hub.

We need you.

**i** Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

\*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See [schoolmessenger.com/tm](http://schoolmessenger.com/tm) for more info.
