

DID YOU KNOW?

PRINCIPAL'S CORNER

. . . The North Peace Performing Arts Festival runs around the Peace Region. Many youth and adults will do their best to share their passion and talent for music, singing, speech, musical theatre, and other performing arts. Several of our students at TA Norris are participating, and I have had the privilege to watch them perform. I was blown away by the talent, courage, and skill of our youth! If you are able to visit any of the performances, I highly recommend that you do. You will not be disappointed. You can find details about the festival here: <https://www.northpeacefestival.ca/>. If you missed some of the performances this past week, no worries; from what I observed, you will see some of these repeated at the Grande Concert on March 23rd. Break a leg to all the performers and may your joy of performing be evident to all!

Rock Your Socks Day 3-21

In Recognition of World Down Syndrome Day on Thursday March 21st, show your support by wearing a pair of Silly or Wacky Socks – they don't even need to match.

Fun Fact: Chromosomes are shaped like socks, and those who have Down Syndrome have an extra chromosome.
