- April 22nd - PD Day - NO SCHOOL for Students

### ***PRINCIPAL'S CORNER***

...TA Norris and Springfield Elementary School have teamed up for a mentorship program called *Healthy Buddies*. This initiative pairs current Grade 7 students from TAN with Grade 4 students from SES to help build relationships and ease the transition before their transition to TAN in the fall.

Change can be challenging—especially when it means leaving a school you've called home for five years. With new teachers, unfamiliar hallways, and a different learning environment ahead, it's natural for students to feel a bit anxious. Healthy Buddies is designed to ease those worries by giving students a chance to connect, ask questions, and get familiar with their future school.

Through the program, students take part in fun icebreaker activities, learn how to use a combination lock (a new skill for incoming Grade 5s!), tour the building, visit their future classroom, and meet some of the teachers and Grade 7 students—who will become the Grade 8 leaders next year.

This program has been a meaningful and positive experience for both schools. It helps students feel more confident and prepared for the move, and we're truly thankful for the ongoing support from the SES staff and administration who continue to make this initiative possible.

### ***SCHOOL GROUNDS***

With warmer weather approaching, I've noticed that some students are interested in heading out over the lunch/recess break. If you would like for your child to have permission to leave school grounds during this time, we ask that you please give consent via email to
